

Gabe's Glowball Golf Tournament

When: Saturday, October 28th, 2017 at 3:00pm
Where: Turtle Creek Golf Course in Plattekill
219 Plattekill Ardonia Rd., Wallkill, NY 12589

Included: 15 Holes, Dinner, Glowball & Prizes

Cost: \$95 **Dinner Only:** \$30

Format: Front 9 hole: 2-person best ball - "2-Person Best Ball" is a golf format for teams comprised of two golfers.

Those two golfers play their own golf balls throughout and the lower score between them on each hole counts as the team score.

Back 6 holes: 2-person scramble - A 2-Man Scramble is a competition format that is exactly what it sounds like: a scramble in which the teams consist of two players each (rather than the more common 4-person scramble). After each shot, the best of the two shots is selected and both players play from that spot. Repeat, until the ball is holed.

THE MAIN EVENT

This tournament will be split between the sunlight and the darkness. The front 9 holes will be a 2-person best ball with a shotgun start at 3:00pm and everyone will play 9 holes ending at the tee box you started from. Next everyone will then head inside for dinner with friends and family at 5:00pm. Please invite your family to enjoy a great meal. The back 6 holes will be a glow ball 2-person scramble tournament with a shotgun start at 6:00pm. After you have played the back 6 holes, participants will meet back in the bar for drinks and prizes.

This is Gabriel from Plattekill. Gabriel has Neuroblastoma, a rare pediatric cancer of the sympathetic nervous system. Neuroblastoma happens when the cells that become a child's SNS during fetal development aren't all used up. They rest, generally in the adrenal glands, and they wait. Usually they die out on their own by 1 year. But when that doesn't happen, or when those cells are already mutated, it turns into Neuroblastoma. That is what Gabriel and family are facing now. Chemotherapy, radiation, surgeries, therapies, the battle of a lifetime awaits Gabriel.

This fundraiser is to help with medical expenses, travel expenses (Gabriel's home is several hours away from his new treatment team), and food for Michelle to eat while she is there with him, as well as to help with bills back home where Michael is being cared for by his older adult siblings.
